**A RESOLUTION
SUPPORTING ENABLING LEGISLATION FOR AUTHORITY TO CONDUCT
REFERENDUMS TO DEDICATE LOCAL REVENUE TO TRANSIT AND TRANSPORTATION
ALTERNATIVES**

2012 Legislative Session

WITNESS THAT:

WHEREAS, Urban Indy is a website devoted to a diverse and efficient transportation network;
and,

WHEREAS, Urban Indy supports the need for a regional transportation network that includes
rail transit, bus rapid transit, bus, express bus, bike and pedestrian paths, and road and highway
improvements; and,

WHEREAS, the transit supports the website by giving the writers and readers mobility beyond
the one-car-per-person model.

IT IS HEREBY RESOLVED by Urban Indy as follows:

Urban Indy supports the enactment of enabling legislation that authorizes voter referendums
to enact funding measures that create dedicated and adequate funding for the design,
construction, financing, operation and maintenance of transit.

ALL OF WHICH IS RESOLVED by Urban Indy on this 12th day of April, 2011.
